

EXHIBIT "A" TO CIVIL JURY TRIAL DOCKET
("ORDER ON PRE-TRIAL DISCOVERY")
Judge Bruce E. Williams

1. **DISCOVERY**: The parties are given leave to proceed with further discovery, provided it is completed at least **ten** (10) days prior to trial.

2. **EXHIBITS and WITNESSES**: At least **ten** (10) days prior to trial, the parties will exchange lists stating the names and addresses of all witnesses and describing all documents, bills reports, photographs, and other exhibits which they expect to introduce. Copies of such exhibits will be attached to the lists. (Such lists need not include witnesses or exhibits for impeachment purposes. The listing of a witness does not commit a party to have such witness available for trial or to call a witness to testify.) Unless otherwise specifically agreed between the parties, the parties *shall be precluded from offering any witnesses or exhibits not so identified* (other than purely for impeachment purposes) unless relieved by the Court for good cause shown.

Upon such list being furnished, the other party shall - except to the extent written notice to the contrary is given within five (5) days thereafter - be deemed to have agreed (for purposes of these actions only) that: the listed exhibits or their originals are authentic and genuine; the listed exhibits or their originals were kept in the ordinary course of business; copies of the listed exhibits may be used at trial to the same extent as originals (without accounting for originals); any photographs so listed fairly and accurately portray the scene therein depicted; and any bills for services or materials are reasonable in amount for the services or materials therein billed.

3. **MARKING TRIAL EXHIBITS**: Each party shall mark and number each exhibit and furnish the Judge and Court Reporter with a list of exhibits, describing each by its corresponding number, *prior* to striking a jury.

4. **VOIR DIRE EXAMINATION OF JURORS**: *Voir dire* examination of jurors' interests in stock or mutual insurance companies will be made by the Court upon request by any party.

5. **AUTHORITY FOR MEDICAL INQUIRY**: The parties are granted the right to inspect and copy all hospital and medical records relative to the medical care, treatment, condition, tests, lab work, and history of the parties, together with the right (on *advance notice* to opposing counsel) to depose and interview - in person or by correspondence or telecommunication means - all physicians, administrators, hospital personnel, and/or other personnel in connection therewith.

6. **EXPERT WITNESSES**: At least **forty** (40) days prior to trial, all parties shall notify all other parties in writing of all persons expected to be called as expert witnesses; state the subject matter on which each expert is expected to testify and state the substance of the facts and opinions to which each expert is expected to testify and a summary of the grounds for each. (Such disclosure does not apply to lay persons who are expected to testify as to speed of vehicles based on observation of the vehicles while in motion.) Unless otherwise specifically agreed between the parties, the parties *shall be precluded from offering any expert witnesses not so identified* (other than purely for impeachment purposes) unless relieved by the Court for good cause shown.

7. A pretrial conference regarding this case may be set either on the Court's notice or written request by one or more of the counsel for the parties, but no request shall be made later than **forty-two** (42) days before the trial date of the action.

8. This Order shall control the subsequent course of the action unless modified by the Court.

ORDER FOR PREPARATION OF JURY INSTRUCTIONS
Judge Bruce E. Williams

All proposed jury instructions are required to be filed and served at least seven (7) days before trial begins. Jury instructions are to be submitted in the following format:

a. The parties are required to jointly submit one set of agreed upon instructions. To accomplish this, the parties are required to serve their proposed instructions upon each other two (2) weeks prior to trial. The parties should then meet, confer, and submit to the Court one set of agreed upon instructions.

b. If the parties cannot agree upon one complete set of instructions, they are required to submit one set of those instructions that have been agreed upon, and each party should submit a supplemental set of instructions which are not agreed upon.

c. These joint instructions and supplemental instructions must be filed one (1) week prior to trial. Each party should then file, at least two (2) days before trial, objections to the non-agreed upon instruction(s) proposed by the opposing party. Any and all objections must be in writing and must set forth the proposed instruction(s) objected to in its entirety. The objections should then specifically set forth the objectionable material in the proposed instruction(s). The objection must contain citation to authority explaining why the instruction(s) is improper and a concise statement of argument concerning the instruction(s). Where applicable, the objecting party must submit an alternative instruction(s) covering the subject or principle of law.

d. The parties are required to submit the proposed joint set of instructions and proposed supplemental instruction in the following format:

1. Each page should indicate the number of the proposed instruction,
2. The instruction, and
3. The authority supporting the instruction.

e. On the day of trial, the parties may submit a concise argument supporting the appropriateness of each party's proposed instructions to which the opposing party objected.

f. All instructions should be short, concise, understandable, and neutral statements of law. Argumentative or formula instructions are improper, will not be given, and should not be submitted.

g. Parties should also note that any modifications to instructions from statutory authority, Alabama Pattern Jury Instructions, or any other form instructions, must specifically state the modification made to the original form instruction and the authority supporting the modification.

h. Failure to comply with any of the above instructions may subject the non-complying party and/or its attorney(s) to sanctions.
